The Masquers, the dramatic club of Georgia Teachers College, has chosen for their winter production, the melodrama, "Night Must Fall," by Elnor Williams. The show will be presented March 11 in the college auditorium. The 1947 campaign to raise funds for the American Red Cross will be conducted in Bulloch County during the month of March and it is the desire of the committee in charge to do this work during the week of March 10-15.

Atomic Power Plant

This is the site of the Enrico Fermi atomic power plant, near Detroit, Michigan, one of the places where atomic electricity is on its way. The photograph shows foundations more than half completed for the nuclear reactor building.

The Georgia Power Company is cooperating in this project with 17 other electric utility companies, a group of equipment manufacturers and the U. S. Atomic Energy Commission.

Electric utility companies throughout the nation are participating in a total of 10 atomic power plant projects. All of these developmental plants are scheduled for completion by 1962.

The United States, under the free enterprise system, has achieved undisputed world leadership in the production and use of electricity. In fact, we produce more electric power than the next seven nations combined.

The Georgia Power Company and the hundreds of other electric utility companies in America welcome the challenge of helping to develop the atom's promise for you.

Scholarship Award Is Announced

The First District Chapter of the Georgia Heart Association has announced that funds have been donated for the establishment of "The Dr. John C. Call Memorial Scholarship" in the amount of \$500.00 to be awarded to a student in pre-medicine, nursing, medical technology, or related fields of medicine or scientific research.

The contest for the current year will be limited to residents of the First Congressional District of Georgia.

According to H. Sol Clark, Savannah, president of the First District Chapter of the Heart Association, "The contest is limited to the First District this year so that we can determine the value of the contest and the interest in it. If interest proves sufficient, we plan to recommend to the Georgia Heart Association that the contest for the scholarship be made statewide next year."

Competition is open to "a graduating senior of any accredited high school within the First District or a graduate within the past twelve months, or anyone presently studying, or having completed all courses required for post-graduate study in one of the fields named."

Entries must be submitted no later than April 15, 1957 if they are to be considered for this year's award.

In order to avoid any additional burden on the schools, entries will be submitted to the Heart Association representatives in each county in the district. Mrs. Ed Prentiss is the Bulloch County representative.

County winners will be announced on April 15. District winners of \$500.00 will be announced on May 31. Presentation of the award will be made at the time of the annual meeting of the Georgia Heart Association, this year to be held in Savannah, September 13-14.

For details and additional information contact Mrs. Prentiss, your County Heart Association representative.

Who Is Responsible For Civil Defense?

By Max Lockwood
Director, Statesboro and Bulloch County

You are. Civil Defense is set up by Federal and State law. But no law in the world will work unless you back it up by your own actions. That's why, in the end, the responsibility for civil defense is yours.

The thing to remember is this: If the bombs from enemy planes ever fell on your city, they would not fall on a plan, or an organization, or a system of government. They would fall on you and your family and friends.

If you were a soldier, you would be trained to take care of the household, places visited and distances traveled, number of days away from home, methods of transportation used such as automobile, bus, train, ship or plane and the purpose of the trip such as business or pleasure. Facts collected in the survey will be used in planning and providing travel facilities and accommodations for the American public. Users of this information include airlines, bus lines, railroads, steamship lines, state and federal officials, local

chambers of commerce, operators of hotels, motels, tourist camps, etc.

The travel questions will be asked of members of part of the households covered in the Current Population Survey which will be conducted locally and in 329 other sections of the country during the week of February 18. Current Population Survey information is collected locally by Mrs. Jeanne Sanders.

Travel Data To Be Taken By Bureau

A continuing sample survey of the travel habits of the American people is being conducted monthly by the Bureau of the Census, U. S. Department of Commerce.

This was announced today by Supervisor Thomas W. McWhirter of the Bureau's field office in Atlanta, Georgia, which will participate in the survey. The travel survey will be carried out in conjunction with the Census Bureau's monthly Current Population Survey of employment and unemployment.

Items to be covered in the travel survey include trips taken by members of the household, places visited and distances traveled, number of days away from home, methods of transportation used such as automobile, bus, train, ship or plane and the purpose of the trip such as business or pleasure. Facts collected in the survey will be used in planning and providing travel facilities and accommodations for the American public. An Essay Contest For H. S. Seniors

An essay contest for high school seniors is being sponsored for the second year by National Guard Association of Georgia. Eligible schools in this area include Statesboro High School, Marvin Pittman High School, Southeast Bulloch County High School, Screven County High School, Port Republic High School, Bryan County High School, and Claxton High School.

Prizes totaling \$876.00 in scholarships will be awarded by the National Guard Association, which is headed by Colonel Wesley D. Willingham of Forsyth. Winning students may select any college of their choice. Local area winners will receive \$25.00, \$15.00, and \$10.00.

cash prizes for first, second, and third places.

Title of the Essay will be "The Economic Significance of the National Guard to the Community."

The purpose of the Essay is to stimulate interest in the National Guard among high school senior boys while assisting deserving students who want to further their education.

Each of the 150 Army and Air National Guard units in Georgia will serve as local sponsors of the contest. Local Guardians will explain the rules to principals of schools which serve Guard communities. Local sponsors of this area are Headquarters Battery and Battery "A" of the 101st AAA Bn. (50mm Gun) in Statesboro.

A committee of Guard officials will determine the best essay with the winning entry to the association's contest committee. The 10 best entries in the State will be selected by association and these will be forwarded to the National Guard Bureau in Washington. The Bureau will determine the top three winners. First place will receive a \$500 scholarship, second place will receive \$250 and third place \$125.

The contest is open now and will end April 16th, 1957. Length of the essay should be from 1500 to 2000 words.

This essay contest has been sanctioned by the High School Association.

In Statesboro, Lt. Carroll L. Herrington will coordinate information concerning the National Guard Essay Contest in this area. The high school principals concerned have been furnished details and should be contacted by those who are eligible.

Boy Scouts Court Of Honor

An impressive ceremony marked one of the highlights of the second year when a Court of Honor was held last Monday night in the First Baptist Church. A good attendance of parents, friends and scout workers witnessed more than 200 scouts receive court awards at this court which in any Court of Honor held in the history of scouting in Statesboro.

The ceremony was opened with devotion by Kenneth Chandler, troop chairman. John Groover, Scoutmaster of the troop, gave a brief welcome.

Wayne Edwards, assistant Scoutmaster, presented Tenderfoot awards to a group of twelve boys and following this presentation, C. T. C. and a scout worker, gave nine boys the second class award. The Huesy and Johnny Martin added to the entertainment part of the evening program when they sang two unaccompanied songs, "Singing the Blues" and "Love Me Tender."

Fifteen boys received the first class badge from Dr. Hunter Robertson, institutional representative of Troop 340. Patrol leaders and their assistants gave a skit on "The How and Why of First Aid" which was under the direction of Chuck Mobley. Mr. Mobley gave a brief talk on the history of scouting from its beginning in England.

M. O. Lawrence, chairman of the board of scouting, presented the merit badge awards to a group of nineteen boys. Al Sutherland, a leader in the Ogeechee Boy Scout District, gave three boys, Jimmy Brown, Hugh Burke and Gary Witte their star awards.

Local F. F. A. Boys Radio Program

Future Farmers of America members throughout the nation are scheduling special activities to focus public attention on the work of their organization during National F. F. A. Week, February 16-23.

Members of the Statesboro F. F. A. Chapter plan to hold a special radio program over WWSN Thursday, February 21 at 4:15 p. m. A special bulletin board has been erected for the week showing the various chapter activities. Members of the chapter recently transplanted 500 pine seedlings in the Forest Heights Country Club woodland area. They have also made field trips to local saw mills and Fair Woodland nursery.

Another special event in the calendar of activities is that of the annual father-son banquet to be held on March 8th. Bulloch County has four F. F. A. chapters with a total membership of 270. Officers at Statesboro school are: President, Donald Donaldson; vice president, Garis Hutchins; secretary, Hugh Deal; treasurer, Harry Hollingsworth; chapter advisor is vocational agriculture teacher William H. Porter. Other chapter advisors are Marvin Pittman, J. P. Folds; Portel, Bill Brown and Southeast Bulloch, Johnnie Spence and Gordon Hendrix.
